Inicio Designed by New York Architect, John Kelly

John Kelly Furniture was founded in 1994 by John Kelly, a licensed architect who has been designing and producing architectural projects and home furnishings since 1987. He graduated from the University of Pennsylvania with a Masters of Architecture [1989], and a Bachelor of Arts in Design [1985]. Since 1989, he has lived in New York City. Over the past twenty-five years, John has designed a broad range of products; including indoor and outdoor furniture upholstery, carpets, lighting and accessories.
